Scholarship Application Requirements 2016

Through the generosity of our donors and partners, American Friends of Bucerius is able to make several scholarships available each year to students who are seeking opportunities to study at Bucerius Law School (BLS) in Hamburg, Germany, either through the fall semester Bucerius International Exchange Program or the Bucerius Summer Programs.

Students interested in being considered for one of these scholarships must be currently enrolled as a full-time student at one of BLS’ partner law schools in the United States. If you are unsure whether or not your law school is a partner of BLS, please speak with your academic department and/or in your study abroad/international office. You can also check the list of partner schools here: http://www.law-school.de/international/about-bucerius/partner-universities/.
