

Master of Science in Law

The Master of Science in Law degree ([MSL](#)) at Northwestern Pritzker School of Law arms STEM professionals with the tools they need to succeed in today's innovation economy. Graduates develop an integrative mindset that uniquely positions them to play an active role in leading industry, developing policy, advancing innovation, and commercializing ideas. You can check out the program brochure [here](#), and access the application portal [here](#) to get started.
