Thank you for your interest in the American Bar Association (ABA) Legal Opportunity Scholarship Fund. The purpose of the ABA Legal Opportunity Scholarship Fund is to encourage racial and ethnic minority students to apply and attend law school and to provide financial assistance to ensure that these students have the opportunity to attend law school for three years.

The ABA Legal Opportunity Scholarship Fund will award $5,000 of financial assistance annually to each scholarship recipient attending an ABA-accredited law school. An award made to an entering first-year student may be renewable for two additional years, resulting in financial assistance totaling $15,000 during his or her time in law school. Although each recipient will need to re-apply for the scholarship in his or her second and third year, the expectation is that the scholarship will be renewed each year if satisfactory performance in law school has been achieved, the student is otherwise eligible, and funding is available.

Considered when selecting recipients of the ABA Legal Opportunity Scholarships: Is the applicant a member of a racial and/or ethnic minority that has been underrepresented in the legal profession; the applicant’s financial need; personal, family and educational background; personal statement; and participation in community service activities.

Applicant must complete all portions of the application. Financial information from the applicant and parents are required to evaluate the applicant’s financial need. A committee of ABA members will select the recipients. The decisions of the committee are final.

PLEASE NOTE:

1. ALL completed scanned applications must be received on or before March 2, 2015. (Do not mail)
2. Faxed applications will not be accepted.
3. Incomplete applications will not be accepted.

ABA LEGAL OPPORTUNITY SCHOLARSHIP
2015 APPLICATION INSTRUCTIONS

Requirements for Eligibility:
To be eligible to receive an ABA Legal Opportunity Scholarship, an applicant must meet all of the following requirements:

1. The applicant must be an entering, first-year law student in the 2015 academic year. Only students beginning law school in the 2015 academic year will be eligible for an ABA Legal Opportunity Scholarship. Law students who have completed one or more semesters or years of law school are not eligible. Applicants who are part-time law students also must be starting law school in the 2015 academic year to be eligible.

2. At the time of application submission, the applicant must have achieved a minimum cumulative grade point average of 2.5 (on a 4.0 grading scale) at his or her undergraduate institution. If the applicant has not completed his or her undergraduate degree at the time the application is submitted, he or she must have a cumulative grade point average of at least 2.5 (on a 4.0 grading scale) as of the most recent completed semester.

3. The applicant must be a citizen or permanent resident of the United States of America. Students, who are citizens and residents of a foreign country, are not eligible to apply, even if they plan to attend law school in the United States.

Before receiving scholarship funds, recipients will be required to demonstrate admission and plans to enroll at an ABA-accredited law school. Because the deadline for submitting applications is March 2, 2015, the applicant will have applied to law schools, but may not yet have been admitted to law school. If the applicant is selected to receive an ABA Legal Opportunity Scholarship, he or she will be required to demonstrate admission and plans to enroll at an ABA-accredited law school before receiving scholarship funds. An applicant or student who does not enroll or who leaves law school after being admitted will be required to return all or a proportional amount of scholarship funds.

To apply for a Legal Opportunity Scholarship, please provide the following information:

1. Application Form. Each applicant must complete and submit the attached application form. Parents’ financial information is required for every scholarship applicant. Exceptions will only be granted if the applicant is married or classified as independent at the corresponding applicant’s undergraduate school (Documentation may be requested to verify marital and/or independent status).

If special circumstances exist which prevent you from providing financial information for your parents, please explain those circumstances in a separate statement. If your parents are separated or divorced, information from both biological parents is required. Parents may complete separate applications, and all information will be kept confidential.

To complete the application, applicant must attach copies of federal income tax forms for self and parents. If you have completed 2014 federal income tax return, please attach a copy to the application. Because the application will be submitted before the April 15, 2015 tax deadline, applicant may submit copies of 2013 tax forms if 2014 forms are not available. Applicant must indicate in the appropriate section of the application if self or parents are not required to complete federal income tax forms. Each applicant is responsible for notifying the American Bar Association Fund for Justice and Education in writing of any changes that may have an effect on their financial status.
2. **Personal Statement.** The personal statement is applicant’s opportunity to include information that the application form does not convey, and will assist the Committee in reaching a thoughtful decision evaluation. Examples of such information include a description of applicants personal strengths, contributions through community service, a description of any special or unusual circumstances that may have affected academic performance, or applicants personal and family history of educational or socio-economic disadvantage. While this list is not all-inclusive, we offer it for applicants to consider the types of information that may be useful in application evaluation. Please limit personal statement to 1,000 words and use only one side of the paper. Font size must be at least 12 point.

3. **Recommendations.** Each applicant must submit two recommendations, at least one of which should be from a professor. Applicants who have been out of school for a number of years and have difficulty finding an academic recommender, may substitute letters from employers and/or others who have worked closely with the applicant. No more than four recommendations will be considered. Recommendation letters are particularly useful when the writer provides substantive, comparative information about the applicant’s abilities, activities and personal qualities, including specific examples that illustrate these attributes.

   * Please have letters of recommendations sent via email to legalosf@americanbar.org. **The recommenders should place your name in the subject line of the email and provide their full title and contact information at the end of the email.**

4. **Transcript.** Each applicant must submit a copy of his or her unofficial transcript from his or her undergraduate institution. If you are selected to receive an ABA Legal Opportunity Scholarship, you will be required to submit an official copy of the transcript before receiving scholarship funds.

5. **Additional information.** Please do not send collateral materials such as photos, articles, resumes, etc. outside of those required above. Submit only the scholarship application, please do not return the application instructions.

   **You may now submit your application by:**
