CONSENT FOR RELEASE OF PERSONAL INFORMATION/EDUCATION RECORDS

I, the undersigned, understand that my consent is required, by FERPA, for Northwestern University to release any personally identifiable information from my education records not defined as "public information" under the University's FERPA policy.

I, therefore, give my permission to Northwestern University and to the faculty and staff acting on its behalf to release all information pertaining to my academic performance to any court, judge, or justice (state, federal, or foreign) to which I have applied for a judicial clerkship.

By signing below, I understand that I am waiving my right to review and inspect any letters of recommendation that the faculty and staff may write on my behalf in connection with my application for a judicial clerkship.

I understand that these letters are confidential communications to judges. I pledge not to break the seal on any such letter or to read any such letter, even if I am no longer applying to the judge to whom it is addressed.
