Dear Dean Chamberlain,

Greetings from the Institute for Justice! I am the Special Projects Manager at the Institute for Justice and I manage our law student hiring, summer conference and pro bono network. The Institute for Justice is encouraging third year students to apply to work at the Institute for Justice during their law firm deferrals this fall.

Founded in 1991, the Institute for Justice engages in cutting-edge litigation and advocacy both in the courts of law and in the court of public opinion on behalf of individuals whose most basic rights are denied by the government—like the right to earn and honest living, private property rights, the right to free speech and educational choice. Our headquarters is in the DC metro area and we have chapter offices in Austin, TX, Minneapolis, MN, Seattle, WA and Tempe, AZ.

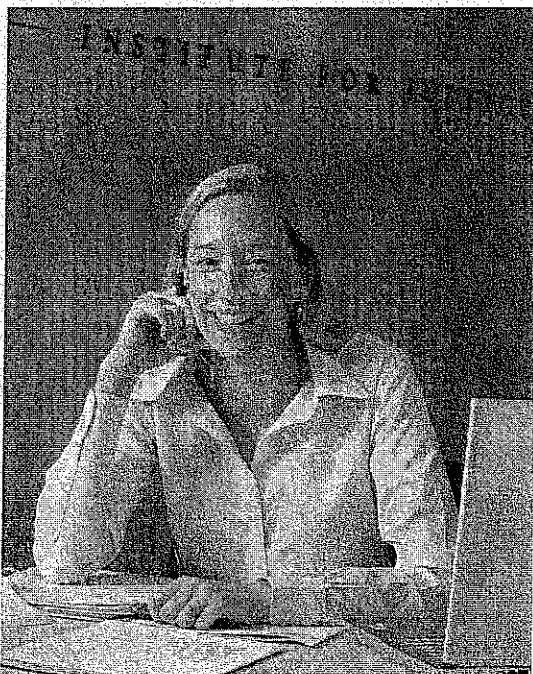

Please pass the information along to your students and post the enclosed flyers. I will follow up with your office next week to answer any questions you might have. For more information on the Institute for Justice, our cases or our student programs, contact me at kkeys@ij.org or 703-682-9320.

Best Wishes,

Krissy E. Keys
Special Projects Manager
