

The Chicago Chapter of the Federal Bar Association

Announces the

Michael Francis Lefkow Fellowship Program

at the

Legal Assistance Foundation of Chicago

APPLICATION DEADLINE: Wednesday, February 1, 2012

Lefkow Fellowship Program History

The Chicago Chapter of the Federal Bar Association has endowed the **Michael Francis Lefkow Public Interest Fellowships** to create a fitting tribute to an outstanding lawyer and to establish a sustainable program to recognize judges, like his wife, the Honorable Joan Humphrey Lefkow of the U.S. District Court for the Northern District of Illinois, who have faced intimidation with courage and integrity. On February 28, 2005, Judge Lefkow returned home to find her husband and her mother, Donna Humphrey, shot and killed. A few weeks later, a troubled litigant disfigured by cancer, committed suicide leaving a detailed written account of the murders. His target was Judge Lefkow herself because of her decision to dismiss his malpractice case. Just a few weeks after these events, a white supremacist was sentenced to forty years in prison for solicitation to murder Judge Lefkow in a different matter.

Both Mike and Joan Lefkow graduated from Northwestern Law School. The Chicago Chapter of the Federal Bar Association has established this fellowship in Michael Lefkow's honor to permit law students at Northwestern to undertake paid, public interest summer internships. Michael Lefkow represented the poor and vulnerable for his entire legal career. He died because his wife is a judge. The Lefkow Fellows at Northwestern Law School will undertake the direct representation of the poor and vulnerable as well as specific projects to promote a fair, impartial and independent judiciary.

FBA LEFKOW LEGAL ASSISTANCE FOUNDATION (LAF) FELLOW

The FBA LAF Lefkow Fellowship will provide a Northwestern student an opportunity to undertake direct representation of the poor and underserved in Chicago. During the first dozen years of his legal career, Michael Lefkow represented the indigent as an attorney with the Legal Assistance Foundation of Chicago and went on to become the first director of the DuPage County Legal Assistance Foundation. Throughout his legal career, Michael Lefkow devoted himself to social justice issues and had the distinction of appearing before the U.S. Supreme Court twice, including in the celebrated case of *Townsend v. Swank*, which established the right of students receiving public aid to attend college rather than be limited to vocational training.
