47th Annual Securities Regulation Institute
Coronado, California
January 27-29, 2020
One of the most visible and highly-regarded securities and corporate law conferences in the country, the Securities Regulation Institute reaches prominent attorneys from both firm and in-house practices. From boardroom updates to issues impacting pre-public companies, the Institute delivers practical advice for all attorneys advising corporate clients on the ever-changing world of securities and business law.

During this three-day event, attendees learn from regulators who are crafting new regulations, judges who are interpreting the law to resolve complex disputes, and prominent practitioners who are guiding their clients through the maze of new legislation, regulations, and jurisprudence.

Northwestern Law Professional Education is an accredited CLE provider in the state of California and most other states.
