To assist you in making decisions about how to bid for fall courses, we have compiled a list of courses that, immediate post-lottery, had wait list in 2004-2008. Since the lottery is the beginning of the registration process, we have also included information about the size of any wait list after the add/drop process had concluded. We hope you find this information helpful.

To assist you in making decisions about how to bid for fall courses, we have compiled a list of courses that, immediate post-lottery, had wait list in 2004-2008. Since the lottery is the beginning of the registration process, we have also included information about the size of any wait list after the add/drop process had concluded. We hope you find this information helpful.
