Information

About the Event
The Second Annual Chicago Forum on International Antitrust Issues is the only Midwest conference of its kind. It is designed to examine the latest developments in competition regulation around the globe providing practitioners and regulators with up-to-date and practical information.

Registration and Tuition
Regular tuition is $400 per person. Government, academic, and judicial attendees may register for $200 per person. This rate applies to full-time, active professionals in these fields. Tuition includes all sessions, continental breakfasts, lunch, coffee breaks, receptions, and program materials distributed at the event. Registrations must be made in advance. On-site registration is only available as space permits and requires an additional $50 fee and must be paid by a check made out to Northwestern University School of Law. Registration is for the full two days of the program for one individual. Shared registration is not available.

Course Materials
For registered participants, course materials will be available for download prior to the event. Registrants will also receive a set of course materials on CD-ROM upon check-in. Registrants and non-registrants may purchase additional copies of the CD-ROM for $50. You may bring your laptop to the program—power strips will be available in the plenary sessions.

Cancellation Policy
Full tuition refunds will be made for all written cancellations received by May 26. A $200 administrative fee will be deducted from refunds on written cancellations received after May 26. No refunds will be given for cancellations made after June 2.

Continuing Legal Education Credit
The Chicago Forum on International Antitrust Issues has been approved in Illinois for 10.5 total credit hours including 2.0 professionalism (ethics) credits (ethics approval pending). Questions regarding accreditation may be directed to Sarah Swain at Sarah.Swain@bakermckenzie.com or (312) 861-7609.

Location
The event will be held at Northwestern Law, 375 East Chicago Avenue, on the Chicago campus of Northwestern University and not on the Evanston campus.

Searle Center on Law, Regulation, and Economic Growth
Founded in 2006, the mission of the Searle Center is to study the impact of laws and regulations on economic growth and to communicate the results of that research to academic, public policy, and judicial leaders. www.law.northwestern.edu/searlecenter
