PETITION FOR FORMAL RECOGNITION BY
THE NORTHWESTERN UNIVERSITY SCHOOL OF LAW
STUDENT BAR ASSOCIATION

NORTHWESTERN UNIVERSITY MEDIA AND ENTERTAINMENT LAW SOCIETY

The purpose of this organization shall be to increase awareness, offer learning events, and provide employment opportunities in the fields of media, entertainment, and sports law for the Northwestern University community. It shall provide a forum for the discussion of topics of concern to media and entertainment corporations and talent, their agents, and managers, as well as to the legal representatives of both groups.

Specifically, the objectives of the society are to:

- Inform students about the real-world experiences of attorneys practicing in the fields of media, entertainment, and sports
- Contact Northwestern University School of Law alumni who work in these fields as well as local practitioners and assist the School of Law with campus recruiting in order to maximize potential employment and internship opportunities
- Partner with groups of similar interest such as the Entertainment and Media Business Network at the Northwestern University Kellogg School of Management, as well as with Media, Entertainment, and Sports Law student organizations at other universities in service of both of these objectives.

In order to achieve these objectives, the Society shall arrange to host speakers and panels regarding matters of interest and concern to the membership of the Society; create an alumni database and network; provide information and assistance to the School of Law placement office and administration; and, participate in media, entertainment, and sports business and law symposiums sponsored by student organizations at other universities (with an eye toward ultimately hosting one).

CHARTER MEMBERS:
By signing this petition, I indicate my support for the establishment of the Media and Entertainment Law Society at the Northwestern University School of Law, as well as my interest in membership in the Society.
