

Charles Rossi
Executive Vice President, Computershare Investor Services
President, Securities Transfer Association (STA)

Charlie Rossi is the Executive Vice President of Client Services at Computershare Investor Services. Charlie's role at Computershare includes a focus on client relationships, prospects and industry issues. He has over 25 years of experience in corporate stock and mutual funds operations management at Boston Financial, Shawmut Bank, BankBoston and EquiServe.

Charlie maintains a high profile in the stock transfer industry. He is the current President of the Securities Transfer Association (STA) and as the president of the STA, he represents the Association's interests on the Shareholder Communications Coalition.

The Securities Transfer Association, Inc.

Founded in 1911, the STA is the professional association of transfer agents. Its 143 registered transfer agent members maintain records of more than 150,000,000 registered shareholders for over 15,000 issuers. STA members mail proxy materials, household shareholder meeting materials, record consents and provide electronic delivery of proxy materials, tabulate proxies and perform related functions for the shareholder meeting process every year.
